Requesting Department: Planning
202 C Street, 5th Floor
San Diego, CA 92101

Title:	Notice of Request for Proposal Availability
Submittal Due Date:	Wednesday, August 27, 2003

A REQUEST FOR PROPOSAL IS BEING ISSUED FOR A CONSULTANT STUDY TO DEVELOP LAND USE PLANNING/ANALYSIS FOR THE BARRIO LOGAN AREA.

The City of San Diego seeks the services of a planning consultant (team) to utilize Geographic Information Systems (GIS) technology to develop alternative land use scenarios for the Barrio Logan area. The alternatives will be developed in coordination with concurrent grant-funded transportation and community engagement efforts in the Barrio Logan community planning area. The results of this study will be community-endorsed land use priorities that will be distributed to agencies, developers and elected officials to help guide land use and development.

It is the policy of the City of San Diego to encourage equal opportunity in its professional services contracts. Toward this end, proposals from small businesses, disabled owned businesses, women owned businesses, firms owned by African-Americans, Native Americans, Asian-Americans, Filipinos and Latinos, and local firms are strongly encouraged. Prime consultants are encouraged to subconsult or joint venture with these firms. The City endeavors to do business with firms sharing the City's commitment to equal opportunity and will not do business with any firm that discriminates on the basis of race, religion, color, ancestry, age, gender, disability, medical condition, or place of birth.

Proposals for the Barrio Logan Land Use Planning/Analysis are due no later than 4:00 P.M. local time, August 27, 2003. Submittals must be addressed to the City of San Diego Planning Department, 202 'C' Street, Fifth Floor, San Diego, CA 92101. Postmarks will not be accepted in lieu of this requirement. To obtain more information on this project or a Request for Proposal, contact the Planning Department at planning@sandiego.gov.
